MORE MEN THAN WOMEN HAVE APPENDICITIS

Surgeons state men are slightly more subject to appendicitis than women. Pendleton people should know that a few doses of simple buckthorn bark, glycerine, etc., as mixed in Adler-I-ka, often relieve or prevent appendicitis. This mixture removes such surprising foul matter that ONE SPOONFUL relieves almost ANY CASE constipation, sour stomach or gas. The INSTANT, easy action of Adler-I-ka is surprising. City Lot Becomes Mine.

BAKER, Ore., April 19.—Taking advantage of the soaring prices of antimony, George Fluke, of this city, is busy working on a ready-made mine at Second and Washington streets in the business district. The ore, it is said, was brought from the Malheur district many years ago and because it was not worth handling at prices then prevailing, was dumped in the vacant lot.

Mr. Fluke is removing this from under the sod that has formed on it.

POPULAR COUPLE OF HERMISTON SECTION MADE MAN AND WIFE

MISS MINNIE REHL, AND JOHN D. WAGHORN MARRIED AT RUDE'S HOME.

Rev. T. A. Graham Performs the Ceremony; Mr. and Mrs. Hinkle Are Expected Home from Washington Where Mr. Hinkle Attended Irrigation Congress; Other News Notes.

HERMISTON, Ore., April 19.—The home of Mrs. Charlotte's M. Rehl on the west side, was the scene of a pretty wedding Saturday evening when her daughter, Minnie, became the bride of John D. Waghorn, prominent farmer of that section. The ceremony was performed by Rev. T. A. Graham, of the Methodist church. The guests were, Mr. F. B. Craven, John F. Rehl of Seattle, Mr. and Mrs. Frank Fowler, Mr. and Mrs. J. I. Agnew, Mr. and Mrs. B. P. Strohm, Mr. and Mrs. George Strohm, Mr. and Mrs. C. F. Ames. A delicious buffet lunch was served.

Mr. and Mrs. J. T. Hinkle are expected home this week from Washington, D. C., where Mr. Hinkle went as a delegate to the irrigation congress. Mrs. Hinkle will remain over in Portland for a day or two for a visit with her son, Dale, who is attending Reed College.

Mrs. J. Herbert Strohm was the guest of Mrs. F. C. Fulton, of Stanfield, Saturday and Sunday.

The entertainment given by the Civic Club Friday evening at the high school auditorium was a decided success in every way. The program consisted of a vaudeville show put on by local talent, and the many stunts were well received and brought forth much applause by the large audience present. A neat sum was realized from the entertainment, which will be used for the general upkeep of the reading room, rest room and public meeting place.

S. R. Oldaker and Miss Virginia Todd were Sunday guests of Mr. and Mrs. H. N. Dryer of Umatilla.

M. D. Sorogus, G. A. Crossy and C. H. Skinner went up to Pendleton Monday to attend the Masonic meeting.

Miss Gilbert, teacher in the Lexington schools, visited with her parents, Mr. and Mrs. Hugh Taylor of West Side, Sunday. Mr. and Mrs. Taylor are recent arrivals from Columbus, Ohio, and have purchased a tract of land under the Western Land & Irrigation project.

Dr. Van Water, Episcopal missionary for eastern Oregon, will hold case services here Sunday.

Col. H. G. Newport is a Portland visitor this week.

Mrs. Thos. Hawthorne was up from her home in Irrigon today.

WILL IMPROVE ROAD.

(Continued from page one.)

gested that instead the people of the south end should be permitted to spend their allotment as they saw fit, declaring that, in such an event, it would probably carry out there. His plan was for the \$140,000 to be spent over 100 miles or more of road by grading and draining them. Some opposition to this plan cropped out and it was then suggested that, instead of spending the money on hard surface work, that it be spent for graveled roads. Mr. Harlan estimated that roads could be graveled for \$1000 a mile but members of the county courts declared this impossible.

The measure on the ballot provides that the money from the bond issue be spent on permanent improvements. Judge Marsh stated that it had been held that graveled roads come under the head of permanent improvements in which case the money would not necessarily have to be spent for pavements.

There were 43 people present at the two-county meeting. Two automobiles went from Pendleton carrying Judge Marsh, Commissioner Cockburn, President Brock and Secretary Cranston of the Commercial Association, President Robinson of the Good Roads association, Dr. F. W. Vincent, chairman of the good roads committee of the Commercial association, Marion Jack and J. N. Burgess. Arthur G. Means of Umatilla also went along as a representative of the west end. At the meeting he stated that the people of his section are willing to cooperate in any program which gives them fair treatment.

Several automobiles went from Pilot Rock, a number of the residents of the south end attended and two autos came from Heppner, bearing the three members of the county court and prominent citizens.

A picnic luncheon was served at noon by the ladies of Butter creek.

BIG CROWD ATTENDS TEMPERANCE RALLY AT MILTON CHURCH

LADIES OF W. C. T. U. HAVE CHARGE OF PROGRAM ON SUNDAY EVENING.

Services Are Held at Christian Church and All Other Churches Join in Making a Union Gathering; Free-water Wins from Dayton Team by Score of 11 to 9.

(East Oregonian Special.)
MILTON, Ore., April 19.—One of the best temperance programs ever given in Milton was the one given by the ladies of the W. C. T. U. last Sunday evening in the Christian church. It was a union meeting of all the churches and standing room was at a premium.

Told That There Was No Cure for Him.

"After suffering for over twenty years and having some of the best doctors here tell me there was no cure for me, I think it only right to tell you for the sake of other sufferers as well as your own satisfaction that a 25 cent bottle of Chamberlain's Tablets not only relieved me but cured me within two months although I am a man of 65 years," writes J. L. Groblen, Houston, Texas. Obtainable everywhere.—Adv.

"Speed Cop" Job Sought.

ALBANY, Ore., April 19.—Plenty of men are running nowadays for offices already created, but C. D. Brown, of this city, has none a step further by asking the city council here to create an office and consider him an applicant for the job. He has asked for appointment as "speed cop."

Albany has no special officer charged with looking after violations of speed or traffic laws, this work being a part of the duty of all the officers.

Splendid for Rheumatism.

"I think Chamberlain's Liniment is just splendid for rheumatism," writes Mrs. Dunburgh, Eldridge, N. Y. "It has been used by myself and other members of my family time and time again during the past six years and has always given the best of satisfaction." The quick relief from pain which Chamberlain's Liniment affords is alone worth many times the cost. Obtainable everywhere.—Adv.

New Air Motor Tested.

NEW YORK, April 19.—At the Automobile Club of America's testing laboratory a new aeroplane motor, developed by Silas Christofferson, the Vancouver, Wash., aeroplane designer, was put through a brake test. The motor, a six-cylinder, has several novel features, including an oil-cooling radiator and a system of inclosing all working parts. The cylinders are of steel with aluminum castings.

PEACH CROP GOING TO BE A SHORT ONE IN FREEWATER BELT

TREES HAVE VERY FEW BLOSSOMS; SOME ORCHARDS ARE BARE OF BLOSSOMS.

(East Oregonian Special.)

MILTON-FREEWATER, April 19.—

It is now a certainty that the peach crop of the Milton-Freewater section will be a short one. W. C. Hopson, county fruit inspector, says that in his orchard about three miles above Milton, there are very few blossoms, usually in the tops of the trees, and that above the forks of the river, there doesn't seem to be a chance for a peach. In the valley below Freewater some orchards have quite a few blossoms and others have none at all except on protected ends of limbs that somehow escaped the freezing weather of January. Blackberry bushes which were first reported to be killed entirely to the top of the snow that was on the ground at the time of the coldest weather, seem in some cases not to have fared so badly. S. J. Campbell reports that his bushes seem little the worse for the frost, as do some of the other growers. The greater part of the bushes however, have been cut back to within a foot or fifteen inches of the ground. No trees of any kind seem to be damaged.

Freewater baseball team of the Tri-County league defeated Dayton on the Freewater grounds Sunday afternoon by a score of 11 to 6. Bartholomew pitched for the locals, and deserved a smaller score. The score was tied in the sixth, when Freewater took a substantial lead of four scores and never lost ground after that.

Roscoe Smith, who has been spending the winter at Lancaster, Wisconsin with relatives, reached Milton Saturday, to spend the summer with his mother, Mrs. C. H. Smith.

J. E. Davis, his son, E. J. Davis, and wife, left Saturday afternoon for an extended trip through eastern states visiting relatives and looking over the country. They expect to spend a few days in Norton, Kansas, of which state the elder Mr. Davis was a resident for over 20 years, a few days in St. Louis and go from there to Forest Grove, Va., where N. A. Davis and family, another son of J. E., resides. E. J. Davis will return in a month or six weeks, but his father expects to be gone for the summer at least, and will visit with friends and relatives in northern states before returning to the Walla Walla valley.

Miss Margaret E. Winniford, who has been visiting in Milton for a couple of weeks with her sister, Mrs. J. W. Compton, and friends left Saturday morning for Spokane, en route to her home in Portland.

Rev. Allan McKee, Rev. E. W. Warrington, and Rev. H. A. Noyes returned Saturday from attending the presbytery at Stanfield last week.

Final papers were just signed today by which the K. of P. lodge of Milton becomes owner of the upper story of the I. O. O. F. building.

D. G. Ross was taken ill Friday night, and has had a hard time it since, but is reported improved.

Leslie Tolen of Walla Walla, was visiting his parents, Mr. and Mrs. J. L. Tolen, Sunday.

Miss Fannie Wilcox has returned to her work in Portland after a visit of a week with her parents, Mr. and Mrs. F. E. Wilcox.

German Coffee Cake

Made Without Yeast

By Mrs. Janet McKenzie Hill, Editor of the Boston Cooking School Magazine.

There is no warm bread quite as appropriate for Sunday morning breakfast as German Coffee Cake, yet it is seldom made by housewives who do not bake their own bread. If K C double raise Baking Powder is used it will be just as good as if raised with yeast and it will have the further advantage of being fresh and warm. Save this recipe and try it next Sunday.

K C German Coffee Cake

Two and one-fourth cups sifted flour; 1 level teaspoonful K C Baking Powder; 1 level teaspoonful salt; 1/2 cup melted butter; 1/2 cup sugar; 1 egg; milk.

Sift dry ingredients together, beat the egg, add milk and butter to the egg to make one and one-quarter cups; stir all together with inverted spoon to a stiff batter. Turn into biscuit pan and spread even. Brush top lightly with melted butter. Sprinkle sugar and ground cinnamon over the top. Bake in moderate oven.

Dutch Apple Cake or Prune Kuchen can be made with this same batter by covering the top with pared and sliced apples, or cooked prunes with the pits removed, skin sides down. Dress with sugar and cinnamon the same as for Coffee Cake.

"The Cook's Book" contains 90 just such delicious recipes. You can secure a copy free by sending the colored certificate packed in 25-cent cans of K C Baking Powder to the Jacques Mfg. Co., Chicago, being sure to write your name and address plainly.

Is it a Cold, Cough or Bad Blood?

Dr. Pierce's Medical Discovery not only cures the cough but it is a wonderful alternative and tonic. It builds up the weak body!

Get it this very day from any medicine dealer, in either liquid or tablet form, or send 10 cents to Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., for large trial package of tablets.

Contains neither alcohol nor narcotics. Its ingredients are made public and printed on wrapper. It's a pure alternative extract made with glycerine from native roots and herbs.

Have you become run-down, weak, emaciated, pale after a long siege of colds? Does the skin show that the blood is thin and watery? Spring is the time when vitality is at its lowest ebb—clean house now—by riding the body of its accumulated poisons. Refresh the blood with a stimulating tonic.

Profit by the experience of others. Build up the system with a reliable remedy, such as Dr. Pierce's Golden Medical Discovery, which has stood the test of time, and for nearly a half of a century has sold more largely than any other blood remedy.

Take This Case for Instance.

Beaver, Oregon.—"I was suffering longer than 12 months with asthma, bronchitis and sore throat. I had a very bad cough, difficulty in breathing, tightness about the chest, could not sleep; had no appetite; was always tired. I was running down, from 158 pounds to 117. Every one told me I must die. I started to use the 'Golden Medical Discovery,' and with the best of results. I used three bottles, which cured me. I have no asthma, no cough, no sore throat, no difficulty in breathing any more. Bronchitis is gone. I thank Dr. Pierce for his kind advice."—MRS. THELMA TUTAUER.

Saved Her Life

The unqualified endorsement of Fruitola and Traxo in a recent letter from Mrs. S. Grindle, 5918 Mignonette St., Pittsburg, Pa., will be of interest to other sufferers from stomach and intestinal troubles. Mrs. Grindle says:

"The doctors had given me up, saying the only hope left was an operation. I tried Fruitola and passed hundreds of gallstones with the first two bottles. Am now feeling better than I have for years past. I will be glad to tell any sufferer how it has helped me, for I owe my life to it."

Fruitola possesses properties that act directly upon the intestinal parts, softening the congested waste and disintegrating the hardened particles that cause so much suffering, and expels the accumulation to the great relief of the patient. Traxo is a tonic-alternative that acts on the liver and kidneys, stimulates the flow of gastric juices, to aid digestion and removes bile from the general circulation. It serves to build up the weakened, run-down system.

For the convenience of the public, arrangements have been made to supply Fruitola and Traxo through representative druggists. In Pendleton they can be obtained at Tallman & Company, 623 Main St.
